ABSTRACT
An employee excellence is, fundamentally, a philosophy, a way of being, marked by a spirit of commitment to excellence in the fulfillment of the organization’s vision and mission. It’s an activity that people are ready to contribute to each other and to the success of the organization. There is a sense of team and ownership, of being a stakeholder. “Employee excellence” in each case means finding the most effective and satisfying way to fulfill on the organization’s vision and mission by employee. A commitment to excellence demands ongoing creation. An employee excellence emphasizes standards. This paper sheds light on employee excellence in the organization and sheds light on requirements, factors and impacts of employee excellence.

KEY WORDS: Employee excellence, Organization, vision and mission.
