ABSTRACT
Corruption is doing wrong, Immoral and Unethical Activities. Even after 68 Years of Independence People Do Not Understand The concept of Government for the people, of the people, by the people. The purpose of this study is to highlight the corrupt mindset of the people who bring corruption in the country. Most of the people still think themselves as being ruled by politicians, while politicians think that they are the rulers. The objective of the study is to suggest the measures for eradicating or bringing down the corruption. Corruption starts from us. Satyam scam 2G is the biggest example which shows that corruption starts from the corrupt mindset of public.

KEY WORDS: Corruption, Politicians, eradicating, immoral, unethical.
